: : DECISION OF MAGISTRATE TO
: : RESTRICT PUBLIC ACCESS TO CIVIL
: : DOCUMENT PURSUANT TO
: : SUP.R. 45(E)

This matter to order the restriction of public access to a case document or information in a case document pursuant to Sup.R. 45(E) came before the Court on the Court's own motion or the Applicant's motion.

The Court finds by clear and convincing evidence the presumption of allowing public access to the case document or information in the case document is outweighed by a higher interest based upon the following:

THEREFORE, public access to the case document or information in the case document shall be restricted as follows:

Notice: The restriction of public access to the case document or information in the case document means the public will generally no longer have the right to see or copy the document or information. The restriction of public access does not have the same effect as sealing of the case document. Sealing the case document generally prevents anyone from seeing it without receiving a court order.
